

Choir Tour 2023

May 30 - June 4

We had a successful choir tour last summer, and are excited to build on it this year!

The youth choir will be traveling to Pittsburgh the week of May 30th to June 4th. We will prepare a concert program to perform throughout our trip as we grow together in music and ministry.

The trip will include sightseeing, service projects, and time spent in the Steel City.

You won't want to miss this!

Rehearsals

We will be working on music for our choir tour beginning in August 2022. If you intend to go on choir tour, please join us in rehearsals each week. Attendance is taken at the beginning of rehearsal so if you need to be absent, please let Cass know ahead of time. All are welcome to join. We hope to see you there!

Youth Choir members are expected to attend at least 75% of rehearsals and services when we sing.

A Note from Cass

Last year was my first year directing the youth choir, and it was a blast. We made a lot of great music and had many laughs along the way. My first choir tour was an incredible experience which taught me a lot. Specifically, I learned that the most important part of choir tour is growing together and watching the students grow together. The music we learn serves as a vehicle for that, and I'm excited to be starting another year. Everyone is welcome, so I hope to see you in rehearsals this August!
