

Choir Club 2022-2023

It's time for Choir Club 2022-2023!

Make music an important part of your child's activities during the this school year! We strive to give your child a faith-based music education that involves them in the church as active participants in worship, and equips them for life-long discipleship. Choir Club is more than playing the instrument or singing the song — it is growing in the faith with music as the tool. Each and every child is important to us!

Choir Club on Wednesday afternoon is for children age 3 - grade 6. Activities include choir time, service preparation and leadership, instrument instruction, music reading skills, and preparation for seasonal presentations.

Music reading skills and music fundamentals are taught through the instrumental time in Choir Club. The children will experience age appropriate music skills through drumming, boomwhackers, Orff instruments, handchimes, and ukuleles.

Our Wednesday afternoon schedule will have a different look this fall. **Young Singers Adventures**, choir activities for 3 and 4 year old children (three by July 31, 2022) will meet in 206B from 3:30—4 p.m. on Wednesday afternoons. Parents/guardians are welcome to participate with the children.

The children will sing in church on a regular basis (please see the Service Participation section in this brochure). The Wednesday afternoon activities will involve singing, song stories, puppet play, instruments, and dancing.
